**MUSIC**

**Lunch with Center Stage Outdoor Concert Series**
Come join us 12-1:00 pm in the BMR courtyard (weather permitting) for feel-good music by local excellent talent.

This month, our concerts include:

**September 3**  Sam Labib, M.D., Radiology Resident, Electric Guitar
**September 6**  Seasons Family, eclectic Popular and folk

**Piano as Catch Can**
Enjoy impromptu piano music on the baby grand in the main entrance lobby and the surgical waiting area by Starbucks provided by auditioned pianists when they have a moment. These musicians are a blend of employees, patients, visitors and community members who have auditioned and been welcomed to our team. Contact Claire de Boer cdeboer@hmc.psu.edu for inquiries about this program.

**ART**

**Rotating Art Displays**
See original paintings by local artists Teresa Haag, Erica Harney, Betsy Stutzman, Sharon Woelfling and Dianne Zinn in the following rooms: Radiology female and male gowned waiting areas, Radiology Nuclear Medicine waiting area, Radiology waiting area by reception, Heart and Vascular Institute South family waiting area. For a tour of this show, contact cdeboer@hmc.psu.edu

**Pick a Pic**
We have launched an art-lending program in designated in-patient rooms. In these rooms, we have installed specially made frames that accommodate changing art. Patients choose a painting from our growing collection of prints by local professional artists. For more information, contact CenterStage@hmc.psu.edu

**Clinical Make-overs**
Check out Betsy Blyler’s artistic make-overs in clinical areas. Betsy coordinates with local staff to artistically re-create patient waiting areas in need. Her most recent creations are the Nuclear Medicine waiting area, Same Day Unit wait area, South OR wait area, and the 7th floor NICU pump room.

**PERFORMING ARTS**

Dance for Parkinson’s Hershey begins this month! This joyful movement class was designed for Parkinson’s patients by the Mark Morris Dance Group of New York City. DFP-trained instructors from Cobalt Dance Company lead patients and their partners through special dance exercises to the live music of Center Stage performers. These classes take place at the University Fitness Center Fridays September 20 – November 8. For more information contact Claire de Boer at 531-8778 or Shari Vegso- Wilson at 676-9039.
