Rotating Art Displays
Original paintings by regional artists Brienne Brown, Aaron Brooks and Debra Kreiger are hanging through early May in the following patient and family waiting areas: Nuclear Medicine wait area in Radiology, 6th floor family waiting areas H6101 and H6102, HVI Patient area and family waiting area. For purchasing inquiries email cdeboer@hmc.psu.edu.

Pick-a-Pic
Our art-lending program in designated in-patient rooms is blossoming. Patients choose a painting from our growing collection of prints by regional professional artists. The Pick a Pic program is funded by The National Endowment for the Arts, Nursing Departments and by the Association of Faculty and Friends.

On-site Easel Painting
Thanks to the Doctors Kienle Center for Humanistic Medicine, each month this year a professional artist will create an easel painting while patients and visitors watch. On Saturday, March 14th, Brienne Brown, a Centre County artist, will paint for your pleasure and inspiration at 1pm in the PSCI rotunda. Join us to watch Brienne’s painting come to life. You can learn more about Brienne at: http://briennembrown.com/

St. Patricks Day Celebration
