The Test Cycle

TESTS come and go, people fall into rhythms.

This is my medical school rhythm.

Day 1: New Course Begins

Day 2-7: Studying Solo

Day 8: Studying with a Gunner
Day 9
Studying by myself again...

Day 10
MEDIASITE DAY
A catch up day to rewatch all lectures

The Day Before the TEST...
PANIC ENSUES!

...Somehow they always creep up on me...
TEST DAY

Celebration!
- Television is watched in excess!
- Parties!
- Travel!

THE WORL

UNTIL IT BEGINS AGAIN
