Distinguished Early Stage Investigator
George Lucian Moldovan, Ph.D.
Assistant Professor
Department of Biochemistry and Molecular Biology

Outstanding Collaborative Research (13 Individual Awards)
Hong-Gang Wang, Ph.D.
Louis High Berstler Professor
Department of Pediatrics and Pharmacology

Jong Yun, Ph.D.
Associate Professor
Department of Pharmacology

James Adair, Ph.D.
Professor
Department of Material Science and Engineering
Director, Ceramic and Composite Material Center

Shantu Amin, Ph.D.
Professor
Department of Pharmacology

Brian Barth, Ph.D.
Instructor
Cancer Institute

David Claxton, M.D.
Physician, Professor
Department of Medicine

Dhimant Desai, Ph.D.
Associate Professor
Department of Pharmacology

Jeremy Hengst, Ph.D.
Assistant Professor
Department of Pharmacology

Jiangang Liao, Ph.D.
Professor
Public Health Sciences
Robert Paulson, Ph.D.
Professor
Department of Veterinary and Biomedical Sciences
Chair, Intercollege graduate degree program in Genetics

Arun Sharma, Ph.D.
Associate Professor
Department of Pharmacology

Bruce Stanley, Ph.D.
Director, Research Resources
Director, Proteomics and Mass Spectrometry
Co-Director, Translational Technology, Clinical and Translational Science
Director, Basic Research Science Cores

Junjia Zhu, Ph.D.
Assistant Professor
Division of Biostatistics and Bioinformatics

Outstanding Research Publication
Clare Sample, Ph.D.
Professor
Microbiology and Immunology

Outstanding Research Mentor
Christopher Sciamanna, M.D., M.P.H.
Physician
Chief, General Internal Medicine
Professor
Department of Medicine and Public Health Sciences

Career Research Excellence Award
Mary Elaine Eyster, M.D.
Physician
Distinguished Professor
Department of Medicine and Pathology
Director, Hemophilia
Program Medical Director, Hemostasis and Special Coagulation
