MUSIC

Piano as Catch Can
Enjoy impromptu piano music on the baby grand in the main entrance lobby and the surgical waiting area by Starbucks provided by our pianists when they have a moment. These musicians are a blend of employees, patients, visitors and community members who have auditioned and been welcomed to our team. Contact Claire de Boer cdeboer@hmc.psu.edu for more info.

ART

Rotating Art Displays
Original paintings by regional artists Brienne Brown, Aaron Brooks and Debra Kreiger are hanging through early May in the following patient and family waiting areas: Nuclear Medicine wait area in Radiology, 6th floor family waiting areas H6101 and H6102, HVI Patient area and family waiting area. For purchasing inquiries email cdeboer@hmc.psu.edu.

Pick-a-Pic

Our art-lending program in designated in-patient rooms is blossoming. Patients choose a painting from our growing collection of prints by regional professional artists. The Pick a Pic program is funded by The National Endowment for the Arts, Nursing Departments and by the Association of Faculty and Friends.

On-site Easel Painting

Thanks to the Doctors Kienle Center for Humanistic Medicine, each month this year a professional artist will create an easel painting while patients and visitors watch. On Saturday, April 4, 2015

Jeff Mathison, a Centre County artist, will paint our hospital administrator Steve Mancuso as he plays accordion on the 7th floor rotunda.

Join us to watch Jeff’s painting come to life. You can learn more about Jeff at: http://www.artbymathison.com

You can join us and inspire future creative programs at Penn State Hershey by making a gift to support Center Stage. Visit GiveToPennStateHershey.org to make your contribution or email givinginquiries@hmc.psu.edu to have a member of our development staff contact you.
