Pick-a-Pic

Our art-lending program in designated in-patient rooms is blossoming. Patients choose a painting from our growing collection of prints by regional professional artists. The Pick a Pic program is funded by The National Endowment for the Arts, Nursing Departments and by the Association of Faculty and Friends.

On-site Easel Painting

The Doctors Kienle Center for Humanistic Medicine is sponsoring two onsite easel artists this month. On Saturday, October 17, at 11am on the 7th floor rotunda, Lewisburg artist Meaghan Troup will create a landscape painting as patients and loved ones watch. On Friday, October 23, Lebanon artist Mary Fusco will create a soothing painting in the PSCI lobby at 10am for everyone to see. Come witness the creation of these inspired art works!
