ART

Easel Artist
Thanks to the Doctors Kienle Center for Humanistic Medicine, each month a professional artist creates an easel painting while patients and visitors watch. This month, local artist Mary Fusco will paint to live music by Cindy Wittenberg on Tuesday, December 15, 10-11am. Come witness the magic in the PSCI lobby!

Rotating Art Displays
A new exhibition by the Farmland Preservations Artists in the State College region has been hung in the following patient and family waiting areas: Nuclear Medicine wait area in Radiology, 6th floor family waiting areas H6101 and H6102, HVI Patient area and family waiting area. For purchasing inquiries email cdeboer@hmc.psu.edu.

Pick-a-Pic
Our art-lending program in designated in-patient rooms is blossoming. Patients choose a painting from our growing collection of prints by regional professional artists. The Pick a Pic program is funded by The National Endowment for the Arts, Nursing Departments and by the Association of Faculty and Friends.

Thank You!

Many thanks to our Gift Shop/Bookstore governing board, who gifted us with funds to sponsor many musicians over the next year. Show your appreciation for our professional musicians by making a purchase in our gift shop or bookstore today!

You can inspire future creative programs at Penn State Hershey by making a gift to support Center Stage. Visit GiveToPennStateHershey.org to make your contribution or email givinginquiries@hmc.psu.edu to have a member of our development staff contact you.
