MUSIC

Piano as Catch Can
Enjoy occasional piano music provided by professional pianists as well as employees, students, patients, visitors and community members who have been welcomed to our team. These pianos are in the main entrance lobby and surgical family area.

ART

Rotating Art Displays
A new exhibition by the Farmland Preservations Artists in the State College region will be hung this month in the following patient and family waiting areas: Nuclear Medicine wait area in Radiology, 6th floor family waiting areas H6101 and H6102, HVI Patient area and family waiting area. For purchasing inquiries email cdeboer@hmc.psu.edu.

Pick-a-Pic

Our art-lending program in designated in-patient rooms is blossoming. Patients choose a painting from our growing collection of prints by regional professional artists. The Pick a Pic program is funded by The National Endowment for the Arts, Nursing Departments and by the Association of Faculty and Friends.

Many Thanks

Many thanks to our Gift Shop/Bookstore governing board, who gifted us with funds to sponsor many musicians over the next year. Show your appreciation for our professional musicians by making a purchase in our gift shop or bookstore today!

You can inspire future creative programs at Penn State Hershey by making a gift to support Center Stage. Visit GiveToPennStateHershey.org to make your contribution or email givinginquiries@hmc.psu.edu to have a member of our development staff contact you.
