Piano as Catch Can

Enjoy occasional piano music provided by professional pianists as well as employees, students, patients, visitors and community members who have been welcomed to our team. These pianos are in the main entrance lobby and surgical family area.

Thank You!

Many thanks to our Gift Shop/Bookstore governing board, who gifted us with funds to sponsor many musicians over the next year. Show your appreciation for our professional musicians by making a purchase in our gift shop or bookstore today!

ART

Rotating Art Displays

An exhibition by the Susquehanna Valley Plein Air Painters is hanging in the following patient and family waiting areas: Nuclear Medicine wait area in Radiology, 6th floor family waiting areas H6101 and H6102, HV Patient area and family waiting area. For purchasing inquiries email cdeboer@hmc.psu.edu.

Pick-a-Pic

Our art-lending program in designated in-patient rooms is blossoming. Patients choose a painting from our growing collection of prints by regional professional artists. The Pick a Pic program is funded by The National Endowment for the Arts, Nursing Departments and by the Association of Faculty and Friends.
